

To search and reserve books in the library

Search material by using Online Public Access Catalog (OPAC)

From http://www.lib.tut.ac.jp/index_e.html you can search books and magazines that are available in TUT library and laboratories. You can search not only in the library but also from your laboratory or home. You can also search for books that are available in electronic book format.

Search for material

1 Quick Search
 Searching for books or journals inside the library. To learn more go>>[Help search](#)

coating tribology

>> [Detail search](#) >> [Category search](#) >> [OPAC or other cross search databases](#)

Key in the keywords such as Title, Author etc. and click [Search].

HINT ! Keyword: coating△tribology

If you put space between 2 words, the search engine will show those materials that contain both words.

Ex) Handbook of **tribology** : materials, **coatings**, and surface treatments

Click 「Go to Confirmation window」to reserve a book

↓
 It appears Confirmation screen.
 The process is finished after you click 「Fix the request」. When the book is returned, we will send a notification to you by email. It will also be shown in notice board. The book will be reserved for 7 days after the email is sent to you.

* You can cancel a reservation by entering 【Materials under request】 section after login from 「My Library」 menu in library homepage. Refer 【Guide Sheet No.e-1】 or request from service counter.

* If you login to My Library from computer in library, you must close all windows to sign out shibboleth.

Search collection in other institution

You can confirm other institution collection from the website below

CiNii Books Search collection in other universities <https://ci.nii.ac.jp/books/?l=en>

NDL-OPAC Search collection in National Diet Library <https://ndlonline.ndl.go.jp/#/>

(You can find materials in other institution or National Diet Library from 「CiNii Books」 and 「NDL」 link on the Link result topSearch Result List page.)

Search Toyohashi City Library collection http://www.library.toyohashi.aichi.jp/?page_id=78

You can search material from many other different libraries too.

* If the material you are searching is in the university nearby, you can visit them. If it's not in the university nearby, you can request for document copy or material loan. You can also borrow books without any charge from the Mobile library service provided by Toyohashi City Library. 【Refer Guide Sheet e-7】

Apply from counter or website.
