

# Finding magazines or E-Journals in University?

## Let's try Online Public Access Catalog(OPAC)

You can search books and magazines that are available in **TUT Library** or laboratories through our website. No matter where you are this system is available for 24 hours.

In the case of magazines, you can search for the E-journals too!

Go to TUT Library homepage [http://www.lib.tut.ac.jp/index\\_e.html](http://www.lib.tut.ac.jp/index_e.html), then click "OPAC or other cross search databases (ex. CiNii, Amazon)" from "Quick Search" column.

The screenshot shows the OPAC search page with the following elements:

- Top of the page of Online Public Access Catalog (OPAC)**: Header with university name and logo.
- Search Bar**: Contains the text "journal of applied physics" and a "Search" button.
- Search Result List**: Shows two results for "Journal of applied physics".
- Result 13**: "Journal of applied physics" with holdings from 1950-1998. Includes a callout: "Journal of applied physics is available in the form of printed magazines and E-journals."
- Result 14**: "Journal of Applied Physics" with holdings from 1999-present Online.

**1** Type magazine's name, then click "Search"

**SEARCH TIPS:**

- **Keywords: journal of applied physics**  
It will help you to get all the records that contain the words searched.  
E.g.: Japanese journal of applied physics etc.
- "Detail Search"  
Key in the **ISSN** (International Standard Serial Number) 8-digit code that used to identify books and magazines. Hyphen is unnecessary .E.g. : **ISSN: 00218979**

**2** Search Result will be showed in list

**If printed journals**

- **Holdings: Library** → you can find it in library
- **Holdings: Laboratory** → Professor has the book

If you want to borrow book from the laboratory, and separate library, you can ask our staffs at the counter.

**Online : E-Journal is available!**

**Printed Journals:** Journals from year 1986 and later are at the 3rd floor, while journals before 1985 are at the separate library. Journals are arranged in alphabetical order, and from the oldest to the latest. **You must follow the Copyright Law of Japan when you photocopy the library material. Fill in the "Document Copy" application form before you make a copy of the library material.**
