OPAC can only search for the purchased journals in library. You can search others E-journals that are free of charge through TUT Link (SFX) <u>http://sfx10.usaco.co.jp/tut/az</u> (navigation system that helps you to get the article). Search from Current Issue or Table of Contents OR Search the volume or page of the article or the author to get the article from the website.PDF file or HTML file will be provided.

Massive downloading or provide printed or electronic journal to anyone are PROHIBITED. Do not use for any commercial purpose. Please follow the Copyright Law of Japan.

[Please refer to Guide Sheet No. e-4 or http://www.lib.tut.ac.jp/ejournal/Fair\_use.pdf]

## If printed journal or E-journal are not available in TUT

## [Search collection In Japan]

You can confirm other institution collection from the website below:

- CiNii Research : Search collection in other universities  $\rightarrow$  <u>https://cir.nii.ac.jp/?lang=en</u>
- NDL Search : Search collection in National Diet Library→<u>https://ndlsearch.ndl.go.jp/</u>
- Search Toyohashi City Library collection →<u>https://www.library.toyohashi.aichi.jp/</u>

There are many Websites that can search the collection of the libraries!!

- \* Most of the journals in university can not be borrowed. If the material you are searching is in the university nearby, you can visit them.
- If it's not in the university nearby, you can request for document copy or material loan. You can also borrow books without any charge from overseas too.
  - [Refer Guide Sheet No.e-7]
